#### Editor's note:

The Main Manuscript Collection is being digitized by the [duchas.ie](http://duchas.ie) team, and material from it is published quarterly. This collection consists of 2,400 manuscripts linked to material that was collected from 1932 onwards. This material was mostly collected by fulltime and part-time collectors under the umbrella of the Irish Folklore Commission (1935-1971). About two thirds of this material that encompasses every aspect of the oral tradition of Ireland is in Irish.

Dúchas.ie is the result of a partnership established in 2012 between the National Folklore Collection in UCD, the UCD Digital Library, and Gaois, Fiontar & Scoil na Gaeilge, DCU. The aim of this project is to digitize and make available online to the public all collections of the National Folklore Collection. The project is co-funded by the Department of Rural and Community Development and the Gaeltacht with support from the National Lottery, and by University College Dublin with financial assistance from the Irish Folklore Foundation.
